AERONAUTICAL CHARGES CIRCULAR

No: 1/2017

TO : ALL AIR OPERATORS
FROM : MANAGING DIRECTOR'S OFFICE
DATE : 03 MARCH 2017
SUBJECT : **CHANGE IN AERONAUTICAL PRICES**

1 Background

The National Airports Corporation Limited (NAC) is appreciative of the industry cooperation and understanding in respect to revise, introduce or amend its aeronautical charges to provide better services to its customers including the air operators.

<http://www.nac.com.pg/files/NAC%20Conditions%20Of%20Use%20Agreement%20Final.pdf>

In line with clauses 7.4 and 18.7 in the Conditions of Use (COU) NAC is exercising its right to vary all Aeronautical Charges.

As per the clause 18.7 the CPI rate to be used is the rate for the last Quarter in the preceding year prior to the adjustment date. The adjustment date as laid out in the COU is 1 April and the relevant CPI is that of 31 December.

2 New Aeronautical Charges – Effective 1 May 2017

We are implementing and applying the CPI rate as at 31 December 2016 with a small rounding factor (see table below). The reported CPI for 31 December 2016 is 6.6% as per the link <http://www.tradingeconomics.com/papua-new-guinea/inflation-cpi>
