# CAPABILITY STATEMENT

## Welcome to Airports Investments Limited (AIL).

Our focus is to work with you to develop your business investments in our strategic locations including airports in Papua New Guinea. These investment opportunities include airports precinct commercial development lands, property development and leasing. This capability statement outlines what we do, who we are and what we are planning to do. We look forward to working with you to develop a sustainable long term business relationship with your company.

Best wishes for your next investment!

## WHO WE ARE

Airports Investments Limited (AIL) is an investment arm and fully subsidiary of National Airports Corporation (NAC) of Papua New Guinea focusing on carrying out investment activities to commercialize sustainable assets for positive share-holder returns. In addition to commercial development, we also work with relevant stakeholders to provide, manage and improve Airports facilities for both business and travelling customers.

The company is headed by a CEO with many years of commercial and investment experience supported by dedicated board of directors to guide and implement the company's vision. Our motivated and ambitious team, work closely with the project team to deliver on each project investment.

## WHAT WE ARE PLANNING TO DO

Our intention is to be innovative, selective and create a sustainable asset management and property development resulting in greater value for all stakeholders. In the process, we want to create a sustainable business environment for investors, contribute to their business growth, provide employment and support the development of the community we operate in.

## SERVICES WE OFFER

-  Property Development
-  Leasing and Licensing
-  Airport Services
-  Airport Precinct Commercial Development
-  Advertising
-  Green Energy
-  Car Park Management
-  Security Management
